MilesWeb AI Builder — Instagram Reel Script

Creator: Computer Hub (@computer_hub) · Format: Instagram Reel, 9:16 · Language: Hinglish voice-over with on-screen English text

1 Overview

PRODUCT
MilesWeb AI Builder

LENGTH
~75–80 seconds

SERIES
Awesome Tools · Day 2

AUDIENCE
Small business owners, café/shop owners, freelancers, first-time website builders (India)

KEY MESSAGE
One prompt → a complete, professional website in under 3 minutes, no coding

CALL TO ACTION
Comment "WEBSITE" for the link (auto-DM) + link in bio · save · follow

Brief points covered: idea-to-website in minutes · live demo on the MilesWeb account (open AI Builder → prompt → AI questions & plan → Approve → website being generated → final result) · editing by chat ("Edit with AI") · AI credits included · AI Builder comes with hosting plans · price from ₹69/month with 30-day money-back.

2 Script + storyboard

The voice-over is in Hinglish (as it will be spoken). The English meaning is under each line for review.

TIME	VOICE-OVER	ON SCREEN
0–8s	ये पूरी website देखो… Developer बोलता—दो हफ़्ते। Agency बोलती—पचास हज़ार। मैंने बनाई… तीन मिनट से भी कम में—बिना एक भी line code लिखे! Look at this whole website… A developer would say two weeks. An agency would say ₹50,000. I built it in under three minutes — without writing a single line of code!	**Result first:** the finished Chai Adda Café website scrolls on screen; chips pop: "2 WEEKS" ✗, "₹50,000" ✗, "< 3 MIN" ✓
8–11s	कैसे? अभी live दिखाता हूँ। और end में इसकी कीमत बताऊँगा… यक़ीन नहीं होगा। How? I'll show you live right now. And at the end I'll tell you the price… you won't believe it.	"Price at the end" sticker (keeps viewers watching)

11–14s	वेलकम टू Awesome Tools, Day Two! आज का tool है—MilesWeb AI Builder। Welcome to Awesome Tools, Day 2! Today's tool is MilesWeb AI Builder.	Series card "Awesome Tools · Day 2" → MilesWeb AI Builder title
14–24s	MilesWeb dashboard में AI Builder खोला, और बस इतना लिखा—"Gurugram में Chai Adda Café की modern website… menu, आज के offers, gallery, reviews, map और WhatsApp booking button के साथ।" I opened AI Builder in the MilesWeb dashboard and wrote just this — "A modern website for Chai Adda Café in Gurugram… with a menu, today's offers, gallery, reviews, a map and a WhatsApp booking button."	**Live demo:** AI Builder → the prompt types out in the "What's on your mind?" box; key words pop as chips
24–31s	फिर AI ने एक दोस्त की तरह बात की—एक-दो सवाल पूछे, और पूरा plan बनाकर सामने रख दिया। मैंने बस… Approve दबाया। Then the AI talked like a friend — asked a couple of questions and laid out a full plan. I just… pressed Approve.	AI chat bubbles → "Website Blueprint" → cursor clicks Approve
31–37s	और अब देखो—AI खुद design कर रहा है! Layout, content, images, buttons—सब कुछ। और wait करते-करते आप game भी खेल सकते हो! And now look — the AI is designing it by itself! Layout, content, images, buttons — everything. And you can even play a game while you wait!	Generating screen (sped up) with progress bar + "Play while you wait" game
37–46s	और ये रहा result! Hero section, prices के साथ पूरा menu, today's offers, gallery, customer reviews, table booking form, और Google map—बिल्कुल ready। And here's the result! Hero section, a full menu with prices, today's offers, gallery, customer reviews, a table-booking form and a Google map — completely ready.	Website appears in the editor → full-screen scroll; each section name pops as a chip
46–50s	कुछ बदलना है? Chat में बोल दो—AI website update कर देगा। ना coding, ना designer। Want to change something? Just say it in the chat — the AI updates the website. No coding, no designer.	"Edit with AI" chat + "Your website has been updated successfully"

50–60s	अब वो कीमत, जो मैंने promise की थी... AI Builder MilesWeb के hosting plans के साथ आता है, AI credits included, और plans शुरू होते हैं सिर्फ़ उनहत्तर रुपये महीने से! साथ में तीस दिन की money-back guarantee। Now the price I promised... AI Builder comes with MilesWeb hosting plans, AI credits included, and plans start at just ₹69 a month! Plus a 30-day money-back guarantee.	**Price reveal:** "₹69/mo*" count-up + "AI credits included" + "30-day money-back" · small text: *36-month plan, GST extra
60–65s	Café हो, दुकान हो, freelancer हो, या आपकी पहली website—अब developer के पीछे हफ़्तों मत घूमना। Whether you run a café, a shop, you're a freelancer, or it's your first website — no more chasing developers for weeks.	Audience chips: Café · Shop · Freelancer · First website
65–74s	तो link चाहिए? अभी नीचे comment करो 'WEBSITE'—link सीधे आपके DM में पहुँच जाएगा। Link bio में भी है। और comment में ये भी बताना—आप किस business की website बनाओगे? Want the link? Comment "WEBSITE" below right now — the link goes straight to your DMs. It's in the bio too. And tell me in the comments — which business would you build a website for?	Comment box types "WEBSITE" → DM with the link · question sticker
74–79s	इस reel को save कर लो—अपनी website बनाते वक़्त यही काम आएगी। और ऐसे ही कमाल के AI tools के लिए, Computer Hub को अभी follow करो! Save this reel — it'll help when you build your website. And for more amazing AI tools, follow Computer Hub now!	Save icon → Computer Hub logo + Follow button click

3 Demo (recorded on the MilesWeb account)

Real screen recording inside the MilesWeb dashboard — prompt to finished website in about 2 minutes 20 seconds:

Prompt: Create a modern website for "Chai Adda Café" in Gurugram. Sections: hero with offer, menu with prices, today's offers, photo gallery, customer reviews, location map and a WhatsApp table-booking button. Warm brown and cream colours, friendly tone, mobile-first.

Shown in the reel:

1. Prompt typed in the AI Builder box.
2. AI chat: questions → "Website Blueprint" → Approve.
3. Generating screen (sped up).
4. Finished website: hero, menu with prices, today's offers, gallery, reviews, table booking, map.
